FIGHT HARD AND HOLD FAST

Fight Hard and Hold Fast!

“Let us hold fast the profession of our faith without wavering; for he is faithful that promised. . . .” (Hebrews 10:23)

Some things are worth fighting for. And the most important things are worth fighting for to the death. This catalog is dedicated to those who have staked all on a world-changing dream for the holy cause of Christ; those who have endured much, who believe deeply, feel passionately, and despite seemingly insurmountable odds, simply won't quit because their deep, abiding confidence in their duty and mission compels them to fight hard and hold fast.

This requires endurance. One hundred years ago, a very courageous man named Ernest Shackleton gave new meaning to this word. It all began with an ad he placed in a London newspaper: “Men wanted for hazardous journey. Small wages, bitter cold, long months of complete darkness, constant danger, safe return doubtful. Honor and recognition in event of success.”

Many responded, but only twenty-seven were chosen. What followed was one of the greatest tales of perseverance of the twentieth century, as the aptly-named *Endurance* carried Shackleton's men to the South Pole before sinking beneath the icy waters, leaving the men in a desperate

circumstance. For nearly two years they endured until help arrived. Theirs was a hazardous journey of hope completed with God's blessing as they fought hard and held fast.

In the challenging world of the twenty-first century, Christians must make their own hazardous journeys against a culture fraught with peril. The stakes are high, but glory awaits those who persevere. “And we desire that every one of you do shew the same diligence to the full assurance of hope unto the end: That ye be not slothful, but followers of them who through faith and patience inherit the promises” (Hebrews 6:11).

“Fight hard and hold fast”—this is the message that we cling to when every nerve and sinew is stretched to breaking.

“Fight hard and hold fast”—to accomplish the highest ideals which our God sets before us; the most noble aspirations, the sacred hopes and dreams that we cherish in the deepest part of our hearts: our vision for our families and the kingdom of God itself. And as we fight, we hold fast to all the things we know to be true, remembering that faith is the substance of things hoped for, the evidence of things not seen.

“Fight hard and hold fast”—this is an antidote to the fickle spirit of the men of our age. It reminds us not to quit at the first sign of trouble, and not to be discouraged by naysayers and critics.

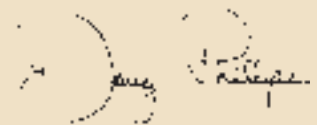

Teddy Roosevelt explained:

It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause. . . .

My father would say, “Choose, don't settle.” Reject the failure of second best—the cult of mediocrity which dominates the spirit of the age—and then fight for what you know to be right. Victory is of the Lord.

The greatest victories are hard fought. The most inspiring accomplishments come to those who endure much. We must fight the good fight, and hold fast that which is good. The world is changed by men and women who take their own hazardous journeys of hope and who persevere to the end—because they fight hard and hold fast. This is my maxim; I hope that you will make it yours as well.

The War at World's End

THE MYSTERIOUS ISLANDS

At the far end of the world, there exists a strange and unusual chain of islands, resting above vast tectonic plates.

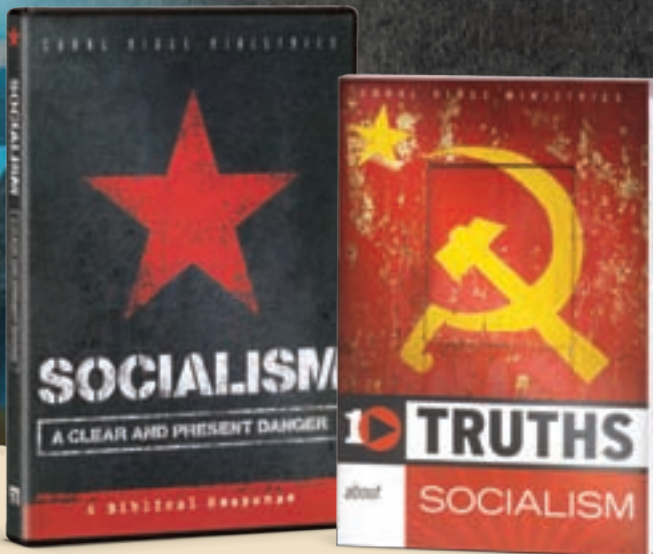

This is the world of the Galápagos Archipelago, home to salt-spitting marine iguanas, flightless cormorants, and giant tortoises. It is also the birthplace of Darwinism, and remains at the center of a controversy that has shaped the way modern men perceive science, religion, and life itself. Now, Doug Phillips leads a team of Christian scientists and investigators to "ground zero" in the war of the worldviews. Seen through the eyes of 16-year-old Joshua Phillips, who joins his father and noted researchers like Dr. John Morris of the Institute for Creation Research, *The Mysterious Islands*

"The Mysterious Islands is a powerful apologetic for God's Hand in creation. I was amazed, not only at the beautiful cinematography, but also the solid arguments against evolution."

When Big Dreams Come True

New!

JOYFULLY AT HOME: A BOOK FOR YOUNG LADIES ON VISION AND HOPE

By *Jasmine Baucham*

By age fourteen, Jasmine Baucham's little-girl dreams of becoming a mommy were supplanted by bigger visions of winning the Pulitzer Prize or an Oscar and appearing on Oprah. She began viewing the calling of home and marriage as second-rate. Then her world was radically challenged by the Scriptures, as she went from craving personal renown to craving to please the Lord through delighting in his design for the joyful home—an even bigger dream, she realized, than stardom.

In *Joyfully at Home*, Jasmine writes with verve and transparency about her own struggles and triumphs as a young woman, encouraging other girls to embrace a vision for the home as a hub of ministry and discipleship and as a training ground for life ahead. With humor, humility, and heart, Jasmine tackles the tough questions girls face, offering practical counsel on how to overcome false views of marriage, husbands, and singleness. Hardback. 245 pgs. 38482 | \$18

"Why do single young women choose to stay at home? Can they be fulfilled and content under their father's roof? What do they do with their time? Jasmine Baucham has written a winsome, compelling, and hard-hitting book which will encourage and inspire all the women in your home! Joyfully at Home will challenge your thinking and help you honestly answer the really tough questions."

THE RETURN OF THE DAUGHTERS

A Vision of Victory for the Single Women of the Twenty-First Century

For the first time in America's history, young ladies can expect to encounter a large gap between their years of basic training and the time when they marry ... if they marry. Now Christian girls all throughout our country are seriously asking: What's a girl to do with her single years?

Return of the Daughters answers this question with boldness and hope. In this paradigm-challenging documentary, visit the homes of several young women (including Jasmine Baucham, author of *Joyfully at Home*) who have dared to defy today's anti-family culture in pursuit of a biblical approach to daughterhood, using their "in-between" years to pioneer a new culture of strength and

dignity through the home. Learn the fulfilling, exciting life of impact and accomplishment that young women can have, and discover the power of the biblical home as the center of education, ministry, evangelism, culture, entrepreneurship, and hospitality. DVD. 58 min. 67850 | \$18 (Save \$2)

SO MUCH MORE

By Anna Sofia and Elizabeth Botkin

Countless young ladies today are wondering what their biblical roles are in our world, and how to fulfill them. While many long for godly purpose in their lives, their bewilderment mounts when they observe broken homes, distant fathers, overwhelmed mothers, degrading college courses, and a lack of spiritual guidance—both at home and at church. As hope for security and stability fades, it is no wonder that many young ladies feel orphaned, unprotected, and without hope for their futures. Gratefully, this highly acclaimed book is not just another Christian teenage-girl "survival guide." Instead, *So Much More* shows how Christian girls can wage war with the world and win. Learn how to overcome our savagely feministic, anti-Christian culture to the glory of God. Hardback. 333 pgs. 57882 | \$18 (Save \$2)

A Vocation of Victory!

PASSIONATE HOUSEWIVES DESPERATE FOR GOD

By Jennie Chancey and Stacy McDonald

Have you struggled to reconcile God's vision of virtuous womanhood with worldly myths that marginalize and mock the role of the homemaker? Do you wrestle with cultural messages that demean the homemaker's calling and exalt instead the emotionally androgynous power-woman—the wife whose worth is measured only by the degree of her ambition, the shape of her body, or her money-making skills? In a delightfully fresh and honest way, this book addresses these issues head-on and provides fresh vision for the hopeful homemaker. Hear a former "Christian" feminist share how she went from a die-hard homemaker-in-training to a dedicated career woman and then back again—after God gripped her heart. See the hollow counterfeit of whitewashed feminism and "me-ology" destroyed. And consider the beautiful picture painted in Scripture of the truly fulfilled homemaker who glories in the hopeful calling God created for her. Paperback. 232 pgs. 84332 | \$16

THE LEGACY OF LIBERTY AND PROPERTY

By Dan Ford

The outcry against ObamaCare and the sudden surge of the Tea Party movement illustrates a growing dissatisfaction with government's attempt to seize more and more of the wealth of private citizens in the name of a “greater good.”

Yet more than moral outrage is needed for the ship to turn around. What is missing is a coherent and foundational understanding of the sacred nature of private property and its direct connection to true liberty. Dan Ford provides this in his new landmark book, *The Legacy of Liberty and Property*. Ford maintains that liberty and property are twin catalysts of freedom that rise and fall together. Drawing from a vast collection of original documents, he demonstrates that leading Reformers and Founders understood this idea, repudiating long-entrenched notions of tyranny and championing foundational principles of liberty and property that, in time, would establish the U.S. as the land of the free. Ford asserts that if we do not rediscover and embrace these timeless principles, we will slip further into bondage and become slaves. Hardback. 235 pgs. 63482 | \$20

How Must the Church and Family Respond to Socialized Medicine

The welfare state we have created to meet our health care needs is destined to fail. Our growing elderly population will soon dwarf the smaller working-class generation that follows after them, leaving Social Security and Medicare bankrupt. The

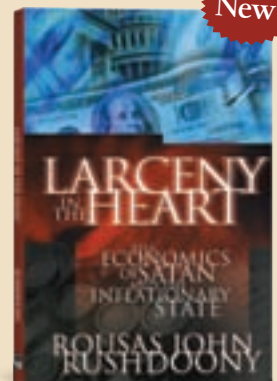

good news is this: By taking decisive action now, churches and families have a golden opportunity to fill the health care void by creating a financial safety net and pursuing creative solutions to care for those in need. Despite the looming crisis, there is hope! CD. 60 min. 63483 | \$10

The political solutions in this paradigm lead to an inflationary economy. This book is a must-read to gain a biblical understanding of the ungodly policies of the Fed—and how to cure them. Divide and Be Conquered: Our Modern Church Crisis

DIVIDED

Is Age Segregation Ministry Multiplying or Dividing the church?

Divided follows filmmaker Philip Leclerc on a revealing journey as he seeks answers to what has happened to today's Christian youth. Philip speaks to kids in local youth groups, interviews national youth ministry leaders, and finally meets with a growing number of pastors and elders who are abandoning the age-segregated Sunday school and youth ministry model and embracing instead the perfect ministry model God's Word prescribes. A WEED IN THE CHURCH

By Scott Brown

Recent statistics suggest that between 65% and 85% of "Christian" youth leave the church when they enter college. This is a well-recognized crisis, but the cause of this crisis will surprise many. In his new book, *A Weed in the Church*, Scott Brown identifies the problem—age-segregated youth ministry—and says it is a weed growing in the church that needs to be rooted out. Brown argues that Scripture defines and wholeheartedly encourages ministry to youth, but that the premises of modern youth ministry are at odds with biblical teaching and must be reformed. Discover the problem of youth ministry in its historical context, and find hopeful solutions built on Scripture's sure foundation. Paperback. 300 pgs. 63622 | \$16

THE LITTLE BOY DOWN THE ROAD

Short Stories and Essays on the Beauty of Family Life

How to Be the Right Man for Her

WHAT HE MUST BE IF HE WANTS TO MARRY MY DAUGHTER

By Voddie Baucham, Jr.

What will you say when that certain young man sits down in your living room, sweaty-palmed and tongue-tied, and asks permission to marry your daughter? What criteria should he meet? Thankfully, God has given us a clear picture of the role of the husband/father in the home, and in *What He Must Be...If He Wants to Marry My Daughter*, Dr. Voddie Baucham breaks this picture down into ten desirable qualities. Not only should parents of young women

seek these qualities in a son-in-law, but parents of young men should cultivate them in their sons. In the companion CD, *The Four Ps*, Baucham establishes that he must be a prophet, priest, provider and protector.

An Overview of Six Thousand Years of History

THE HISTORY OF THE WORLD MEGA-CONFERENCE COLLECTION

The powerful messages contained in this complete curriculum series provide a panorama of six thousand years of earth history in a sweeping overview designed to dispel anti-Christian myths of historiography, establish a distinctively biblical grid for interpreting historical events, and cover key themes in the rise and fall of civilizations. Covering the first four millennia of earth history, *B.C.* contains twenty lectures on topics such as the pre-Flood world, the history of ancient Babylon, the Hebrew nation, the establishment of Rome, and ancient legal systems. Beginning with Christ's incarnation, *A.D.* covers the rise of Byzantium and fall of Rome, the history of the Church, the history of the law of nations, Islam, the establishment of America, and a review of the twentieth century. Completing this curriculum, the Study Guide follows the ten DVD lectures with summaries, outlines, and detailed notes for further study, complete with definitions, suggested reading, and Scripture memory. Each lecture emphasizes the providence of God over every detail of history—that Christ is the "author and finisher of our faith" (Hebrews 12:2).

HERITAGE DEFENSE

PROTECT YOUR FAMILY!

"Heritage Defense is a welcome friend in the battle for the family."

—Mike Smith, President, Home School Legal Defense Association (HSLDA)

A sinister movement is growing in America to criminalize biblical parenting. We can be victims or victors. Heritage Defense is delighted to complement and build upon the work of our dear friends and heroic defenders of home education at HSLDA by protecting Christian families in a number of additional, distinct areas of critical need. An anonymous tip is all that separates your family from a social services investigation over parental decisions regarding

corporal punishment, sanctity of life, medical choices like vaccinations and midwifery, and applications of biblical standards in church and family. Heritage Defense is committed to uniting families and defending them against such wrongful state usurpations of family jurisdictions. Join us as we fight to protect our children, preserve our freedoms, and defend our heritage. —Don Hart, President, Heritage Defense

"Christian families need protection in these vital areas, and it is quite encouraging to know that Heritage Defense is there to provide the help we need." —Dr. Voddie Baucham, Jr.

Our leaders in Washington want to convince you that the best solution to your family's health care needs is greater state control. That's Marxism. It doesn't work. More importantly, it's wrong! I thank God that Samaritan Ministries has a cost-effective, biblical alternative to the challenge of rising insurance premiums and the ominous spectre of socialized medicine. Samaritan knows that the best solutions to your family's health needs will come from Christians caring for Christians. I am delighted to be one of the thousands of families who look to Samaritan for a God-honoring, inexpensive and effective medical expense sharing alternative. Check them out, and tell them Doug sent you.

Vision Forum Presents Twenty Treasured Volumes from the Most Influential and Distinctively Christian Writer of Boys' Adventure Literature of the Nineteenth Century

He was perhaps the most influential writer of boys' literature of his generation. He was also a devout Christian of the Scottish Covenanter kind, and the only outspoken advocate for Christian boyhood to have had a monument paid for and dedicated in his honor by grateful children who loved his stories.

His name was Robert M. Ballantyne. He not only inspired a generation of writers to take up their pens in defense of the ideals of biblical manhood,

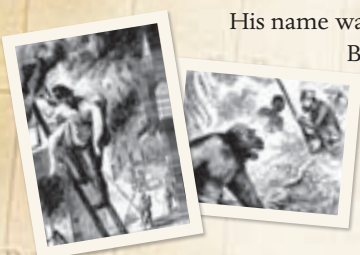

R. M. BALLANTYNE
(1825-1894)

but he changed the lives of hundreds of thousands of boys for the better with his globe-trekking adventure stories that emphasized Christian character in the face of adversity. In fact, in the twentieth century, many publishers declined to carry Ballantyne because of his strong biblical emphasis.

Now Vision Forum is pleased to offer R.M. Ballantyne to twenty-first century children. Our Ballantyne Christian Adventure Library comes complete with the faith-affirming Christianity of the original volumes, just as intended by the author.

“R.M. Ballantyne was born into Edinburgh’s great 19th-century publishing elite. His family firm published both Walter Scott and Thomas Chalmers. No wonder he knew how to spin a classic yarn! His prodigious output of... adventure stories was the natural fruit of the rich Scottish legacy of unbridled courage, undaunted chivalry, literary excellence, Christian virtue, and global vision. May they inspire the next generation to do justice, love mercy, and walk humbly with the Lord.” —DR. GEORGE GRANT

A Christian Princess Worthy of Emulation

PRINCESS ADELINA: AN ANCIENT CHRISTIAN TALE OF BEAUTY & BRAVERY

Retold by Julie Sutter

From across the ages—thirteen centuries ago, when the fearless Scottish and Irish missionary bands were sent out from the Isle of Iona—comes the story of a virtuous young woman of unshakable faith, filled with determination to fulfill the role to which God has called her. She finds herself whisked away from a simple life to become the queen of a kingdom where she wrestles with temptations from her past and faces down enemies intent on her demise. Based on a true story, this Esther-like tale recounts the deeds of the courageous Adelina of the ancient German Culdee church as she endures and overcomes persecution, slander, exile, and the impending destruction of her people. In the end, she is used by God to see the hope of the Gospel of Jesus Christ shine forth and prevail! Hardback. 211 pgs. 47832 | \$16 (Save \$2)

FAITH OF OUR FATHERS

THE LEAGUE OF GRATEFUL SONS

Faithful Heroes Remembered

What is the godly legacy of the fathers of World War II? Their story has not been told—until now!

More than 406,000 American men died during the Second World War, leaving an estimated 183,000 children fatherless. Hundreds of thousands of other fathers did return from war, some who tragically never connected with their children. But within the ranks of the survivors and the heroic dead were a remarkable collection of men who made it a life mission to speak of the providences of God and the meaning of manhood to the boys who would fill their shoes. Through wartime letters and present-day pilgrimages to the bloody battlefields of their youth, these ancient warriors have spoken. Their thankful children rise to honor and surpass their legacy. They are “The League of Grateful Sons.”

Meet tough-as-nails Marine “Colonel” Bill Henderson. He survived thirty-six days of brutal fighting on Iwo Jima. Meet P-51 Mustang flyboy Bill Brown. He was shot down over Japan, but lived. Now in their eighties, these ancient warriors return to the black sands of Iwo Jima to disciple a new generation in the art of Christian manhood. *The League of Grateful Sons* will leave you grateful for America’s heroic fathers. Toward this end, Vision Forum is pleased to introduce an audio collection covering American history from the Pilgrim fathers at Plymouth Rock to the Patriots of American's War for Independence and the Pioneers of the American West. KJV BIBLE 400TH ANNIVERSARY GIFT EDITION

The year 2011 marks the 400th anniversary of the King James Version of the Bible. No other printed work before or since has so profoundly influenced our language, our culture, and our theology. Since its release in 1611, it has become the most often quoted document in existence. This valued legacy continues to impact millions of lives today. This special anniversary edition includes a 24-page full-color historical booklet, more than 5,700 in-depth study notes, large, easy-to-read type, presentation and family records pages, personality profiles and archaeological notes, and more.

The Beautiful Girlhood

COLLECTION

What a privilege to be the father of four precious daughters and husband to the greatest wife in the world. My constant prayer is that the Lord will continue to affirm them as women of God. This same prayer is the heart of our mission at Vision Forum. Since our founding in 1998, Vision Forum has been committed to the restoration of the Christian family. Our book catalog, our All-American Boy's Adventure Catalog, and the Beautiful Girlhood Collection are all designed to tackle different aspects of the cultural battle for the family.

We aspire, by the grace of God, to encourage the rebuilding of a culture of virtuous womanhood. In a world that frowns on femininity, that minimizes motherhood, and that belittles the beauty of being a true woman of God, we dare to believe that the

biblical vision for girlhood is a glorious vision. It is, in fact, a beautiful vision. It is a vision for purity and contentment, for faith and fortitude, for enthusiasm and industry, for heritage and home, and for joy and friendship. It is a vision so bright and so wonderful that it must be boldly proclaimed. We are here to proclaim it.

Amid a culture brimming with mixed messages, shallow and self-serving ideals, and depraved "role-models," may you and your precious daughters find the following pages to be a refreshing and edifying oasis of innocence. Girlhood is a very brief season in the life of a young

lady. Nurture it, protect it, and by God's grace, fill it with the principles and tools needed to make it truly beautiful.

Victory Gardens

For a visionary daughter, the years of beautiful girlhood are not only a time for dreams and play, but a season of preparation and entrepreneurship as a vital member of her father's household. Because she remembers that a virtuous woman "considers a field, and buys it: with the fruit of her hands she plants a vineyard," the visionary daughter understands that every garden planted for the Lord is a victory garden. VIRGINIA'S VICTORY GARDEN

PROVERBS 31:25 COWGIRLS

From the daughters of sturdy virtue who arrived on the *Mayflower* to the rugged pioneer women of the West, America has a tradition of women “clothed in strength and dignity.” Here in Texas, we grow ladies known as cowgirls—dominion gals who can ride, rope, shoot, and cook a heap of tasty victuals that would make your Pappy proud—all this with a femininity most becoming. That’s why we are honoring the cowgirl. Come sit a spell while you visit our boutique of cowgirl clothing, accessories, books, and cowgirl-style Red Rider BB guns. While you do, remember the words of this feller:

Hence it is that the women of America, who often exhibit a masculine strength of understanding and a manly energy, generally preserve great delicacy of personal appearance and always retain the manners of women... —de Tocqueville’s Democracy in America

Elsie Dinsmore

Elsie Dinsmore

By Martha Finley

In the nineteenth century, millions of readers learned the meaning of godly womanhood from a little girl named Elsie. Her commitment to principle in the midst of adversity and her passionate love for Jesus Christ were the theme of twenty-eight volumes spanning her life. These original twelve volumes are presented just as a young lady would have found them one hundred years ago. Over the last several years, I have heard hundreds of reports from homeschoolers and Christian families about the blessing these books have been in their lives. Elsie raises the standard of godly womanhood to new heights. Feminists will not be happy with Elsie. She is a God-honoring young woman who strives to solve problems while working through biblical authority structures. Hardback. **F** **ME**

There is a sacred window of time in a boy's life when everything is possible: He can rescue the damsel in distress, explore America with Lewis and Clark, or cross the Atlantic with the Pilgrims. Tragically, this window is shrinking because our modern culture is at war with courageous boyhood. Many have forgotten what it means to be a boy and dream the noble dreams of youth.

The time has come to rebuild a culture of courageous boyhood. The All-American Boy's Adventure Catalog is one step on that journey. Within these pages, you will find inspirational gifts and concepts to build the character of a boy. Every toy, tool, and book has been carefully selected and designed to inspire and motivate boys to dream big dreams for the glory of God. Boys can demonstrate faith in the face of battle with Sergeant York or build

a treehouse with dad.

One of our goals is to demonstrate

that the skills and experiences

which historically made up the life of a boy were God-honoring vehicles for preparing him to be a man. He learns to explore because he is called to take dominion over the earth. He learns to emulate the lives of heroic Christians because he, too, is called to leadership.

Scripture is clear, "Where there is no vision, the people perish." Boys need vision. We humbly offer this catalog to you and the All-American boys in your family in the sincere hope that, together, we can rebuild a culture of courageous boyhood.

JONATHAN PARK GOES TO THE GALÁPAGOS

Darwin, here we come! Take an exciting investigative journey with Jonathan and Dr. Kendall Park as they go to “ground zero” of evolutionism—the Galápagos Islands. Meet the amazing salt-spitting marine iguana, the dive-bombing Blue-footed booby, and giant tortoises that live to be more than 150 years old. Engage with the flightless cormorant, a bird that has lost its ability to fly and developed the ability to fish under water. *Jonathan Park Goes to the Galápagos* includes a handsome photo journal that offers further details concerning the fascinating animal life on “Darwin’s Eden.” Featuring stunning photography of the creatures from these mysterious islands, this illustrated booklet is a beautiful and informative supplement to this new audio album. 4 hrs.

Best Creation Films

MOODY SCIENCE DVD COLLECTION, VOLUMES 1-19

When my first son was born, there was only one film series that I thoroughly trusted. I knew that these high-quality videos would be free from bad attitudes, false philosophies, and noxious sounds. I also knew that the films would cultivate a taste for beauty, an appreciation for the natural world, a love of science, and a sound perspective of the Creator. And they were fun, too! Hundreds of thousands of children, like my own, have grown up with these fantastic films. Approx. 28 mins. each. **F**
